VOLUME II

PART IV

RODRIGUES REGIONAL ASSEMBLY

SPECIFIC CONDITIONS

Page 6

To insert

2.22A We recommend that where the salaries of identical/comparable grades in the Rodrigues Regional Assembly have been aligned on those of the Civil Service of the Island of Mauritius, the schemes of service of these grades should, wherever relevant, be amended along the lines of counterparts in the Civil Service.

2.22B Subject to the approval of the Ministry of Civil Service Affairs & Administrative Reforms, revised conditions in respect of grades of the Island of Mauritius would, in principle, be applicable to similar grades of the Rodrigues Regional Assembly.

Temporary Appointment/Traineeship

2.22C Where there exist officers on temporary appointment or trainees who have been appointed under the terms of the previous schemes of service, the officers should be considered for appointment in the respective grades on satisfactory completion of their temporary period or traineeship, even though they may not qualify under the revised qualifications.

5.4A At paragraph 22.27 of Volume II Part I of the 2003 PRB Report, it is recommended that the grade of Trainee Engineer be abolished under the vote of the Ministry of Public Infrastructure, Land Transport and Shipping as the Ministry no longer recruits Trainee Engineers. This is not the case in the Public Infrastructure Division of the Rodrigues Regional Assembly.

The recommendation made for Mortuary Attendant in the Island of Mauritius cannot, therefore, apply to that grade on the establishment of the Rodrigues Regional Assembly.

Recommendation 11B

6.25C We recommend that the Mortuary Attendant of the Rodrigues Regional Assembly be paid a non-pensionable commuted monthly allowance of Rs 500 in lieu of the allowance recommended for his counterpart on the Island of Mauritius at para. 38.30 of Volume II Part I of the Report.
